*Retention rates are calculated as the percentage who are still enrolled at any CUNY college in the subsequent fall term(s) and have not yet earned a degree. Graduation rates are calculated as the percentage earning a degree at any CUNY college any time prior to the start of the subsequent fall term(s). Students earning a degree, even if lower than that originally pursued, are counted for that degree even if they are still enrolled the following fall. Students who have earned both an associate and a baccalaureate degree within a given time period are counted for the baccalaureate degree only.
